Greg-

Hey there, we are trying to obtain additional rooms that have become available. Is it possible for you to secure these at the Holiday Inn Express, Webster ASAP? This would be much closer for some of the folks having to travel a great deal one way. See email from below from the hotel contact person. Please let me know.

Thanks.

Thank you Rachel very much.

I am copying Doretha Christian, our EPA contact for hotel logistics. She will reach out to Greg Brown who will reach out to you to secure the rooms under one credit card.

Rachel, if there are rooms available in the coming days, I would be interested in securing them for

more of our EPA field responders who are currently having to drive quite a distance each day.

Please let us know. Thank you!

Hi Kim,

I have booked all 5 of the reservations for 30 day starting September 7th. I am over booking on Sept. 24 and Sept. 25. I hope this will fix it self in the coming days. The room confirmations are below. Right now all rooms are booked under Mark McCasland. Please have these guys email or call me on my cell when they get a minute. I will update

name, phone number and the CC they want to use.

All payments are done weekly upfront. If they need to leave sooner - no worries - just please try to give me a week notice :) Thanks Again. Have a Great Night!!
